Breakfast is said to be the most important meal of the day...

Melissa and Len, your Bernerhof Innkeepers certainly agree. "With attention to taste and the belief that food is an expression of friendship, we offer a delicious and elegant breakfast cooked by us from scratch in our own kitchen. All of our breakfasts are prepared with a pinch of devotion, a cup of friendship, a spoonful of delight and a whole lot of love."

Join us at the Black Bear Pub, located on the main level, for a glass of wine or a pint... and enjoy the relaxing atmosphere. It's a great spot to watch the game or just relax by the fireplace with family or friends.
